RE: RUI Primo-1 - Mining Blow Sand

Dear Mr. Toronto:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations in Washington County, Utah. We received a copy of the notice from the Division of Oil, Gas and Mining on March 28, 1994.

This project is for surface mining of Blow sand from lava rock. The sand will be screened, stock piled and then hauled away.

It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.E.E., Manager  
Design Evaluation Section
